New Delhi

Launch of Mobile application (ITC & IPIA)

Our IT team of ISG (Integrated Social Governance) ISG_Technocrats has developed an integrated mobile application for users and members which is available at **Google Play** store for android users at present .

Mobile application of **India Think Council—ITC**

(To update members and users at large about our activities ,events and research notes)

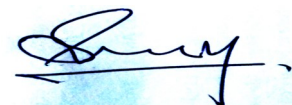

Download from : https://play.google.com/store/apps/details?id=com.india_think_council.itc&hl=en

Mobile application of **India Pandemic Impact Analysis—IPIA**

(To collect data of migrated workforce affected during this pandemic and arrange them resources available locally according to their skills and abilities and past experiences)

Download from : <https://play.google.com/store/apps/details?id=com.ipia&hl=en>
